EXCESS MAINTENANCE AGREEMENT

THIS AGREEMENT entered into on this the _____ day of _____, 19____ between _____

Applicant/Permittee, party of the first part and the Township of Allegheny, Westmoreland County, Pennsylvania, party of the second part, hereby witnesseth as follows:

1. Applicant/Permittee, in consideration of the issuance of a permit for overweight use of roads pursuant to the provisions of the Township of Allegheny, Westmoreland County, Pennsylvania Codified Ordinances, Section 7.84(b)(3)(c), hereby covenants and agrees to accept financial responsibility for excess maintenance of the posted highway or portion thereof to be used by the applicant/permittee.

2. Excessive maintenance is maintenance required due to heavy hauling in excess of usual and routine activities. Normal maintenance activities include minor patching, cutting shoulders and repairing worn out pipes. Excess maintenance activities include, but are not limited to, extensive patching and base repair, shaping shoulders that are pushed and heaved due to heavy hauling and repairing crushed pipes.

3. It is agreed that any excess maintenance required may be performed by the Township of Allegheny or its contractor or by the applicant/permittee or its contractor except that in the case of a self-bonding applicant/permittee, the applicant/permittee agrees that all work will be performed by the said applicant/permittee or its contractor.

4. The Township of Allegheny will continue to be responsible for normal maintenance activities.

IN WITNESS WHEREOF, intending to be legally bound hereby, the applicant/permittee has hereunto set its hand and seal on the day and year first above written.
