Agenda 10/10/2022

Meeting No. 10 of 2022

The Public will have two (2) opportunities to speak for a period of five (5) minutes each time; once to comment on agenda items and once to offer general comment"

Township residents may sign up to speak one time for up to five minutes on any agenda item. Sign-up sheets are available in the rear of the room. The Chair will randomly call on each person completing a sign-up sheet and they will be allotted up to five minutes to speak prior to the Board voting on the item. Prior to the vote, the Chair will ask if the community has any questions regarding the agenda item. This is intended for the community to get additional information regarding the issue. Township residents who want to make substantive remarks and have not completed a sign-up sheet, will be asked to complete it at that time. Once it is determined that no one else has questions or wants to speak on an agenda item, the Board will consider action on the item."
